## Greetings from Kathy DiBartolomeo Executive Director

As we reflect, on this past year and look forward to the start of a new one, we are anxious and optimistic as we begin to live the “new normal” in a post pandemic world.

Although it has been stressful at times this past year, pivoting between opening and closing restrictions due to Covid, we have come out of these difficult times, stronger and more determined to meet the demands of all residents in our community.

Our new location has provided us with not only the capacity to provide more and diverse programming but an exciting new energy felt among all who enter our doors!

New programing includes, chair exercises, drumming, move to music, congregate dining and bingo! We have also seen some of our community partners returning to offer health services that are vital to our residents living healthy and happy lives.

We continue to increase our collaborations with service clubs, businesses and individuals, which allows us to fulfill our Mission Statement; “To improve the quality of life and social well-being of our community and surrounding areas.

Our Food Bank and Community Garden allows us to meet the needs of Food Insecurities in our community. Our Community Cupboard program, allows us, to bring non-perishable food and fresh fruit and vegetables to seniors and low income families directly in their apartment buildings. We are grateful to the Diageo employees that have chosen to support ACS with their payroll deductions and provides us with the opportunity to meet the needs of a growing community.

A big thank you to all of our volunteers, in the many roles that play at ACS. We know that without you, we wouldn’t be us!

To my Board of Directors, thank you for your continued guidance and knowledge that provides the support needed to keep this agency moving forward through all of the daily challenges and accomplishments. A special farewell to Wendy Dade, who was on our Board of Directors for 11 years and is now saying goodbye. Thank you for everything you did and all of us at ACS, wish you much success in all your future endeavours.

To my coworkers, I am eternally grateful to work with such a dedicated group of people that provide energy and wisdom and the passion to work towards making their community a better place to live!

I wish everyone a successful and happy year ahead and be well!

*Kathy DiBartolomeo*

Greetings from  
ACS Board President  
Ashley Gibb

Welcome to the Annual General Meeting of Amherstburg Community Services (ACS).

Looking back on this board term, ACS has met and surpassed each challenge presented making this one of the busiest years for the organization. Each year brings new challenges and new accomplishments. Our programs and services made possible by dedicated volunteers and staff continue to bring valuable services to the community.

In a post-pandemic world, we as a board of director, have had the pleasure of watching the agency excel in ways we only dreamed of, in the past.

I continue to be proud of my association to this organization as they make such a positive impact on our community.

On behalf of the Board of Directors I would like to thank Kathy, program managers and all the staff as well as the many valued volunteers for another year of exceptional service to the community.

I would also like to thank the Board of Directors for their service and contribution to ACS.

It has been a pleasure serving with all of you.
